### WRESTLER HERE FOR A MATCH

Jack Donovan, Weighing  
170, Wants to Meet Any  
Local Mat Artist.

Jack Donovan, the blonde wrestler who has been taking on whoever he could get a match with around Albuquerque, has been here since Saturday trying to find an opponent in this part of the great uncult.

Donovan now weighs about 170, but he trains down to less than 160 and he seems to be in the best of condition for a match. He has a sore hand which he got in a match with a big German blacksmith at Albuquerque, but aside from this he is in superb condition.

Jack wants to land a bout here with some of the mat artists, but there has been but one wrestler in El Paso lately and that was John Middle Sky, the Coconino, and he only stayed long enough to see Juarez and get his name in the paper.

Smith is to name the place and the other officials of the private match which will be for two falls.

**BIG POT MADE UP FOR A. B. C. TOURNAMENT AT DETROIT**

It will take \$30,000 to keep the pot boiling for the American Bowling congress which is to be held in Detroit in February. This amount will be divided in purses for the winners of the different bowling events.

Every cent of this amount will be put up by the bowlers themselves in fees and in addition will pay all of their expenses at the congress. It is estimated that 1,000 men will compete in the different bowling events which make up the congress.

El Paso may send a representative to the bowling congress.

**JOCKEY GARNER CINCIES HIS LEAD ON FIRST PLACE.**

Guy Garner has clinched his place at the top of the jockey column by his rail riding and his ability to shoot his mounts into the lead at the right time.

Garnier now has a record of 25 first out of a total of 137 mounts and his earnings during the meeting will net more than \$1000.

McCahey is second and Small a close third. Archibald and Schilling, two of the best boys at the track, have trouble making the weights and their mounts are restricted to top weight horses for this reason.

## JEFF THE CUTUP

Jeffries is getting to be the original cutup. At least his press agent, who is accompanying him on his all star tour of the provinces with a barnstorming aggregation of muscle, says he is a what press agent says about anything from airships to alarm clocks is to be taken at face value.

At Muskogee, which is in Oklahoma, but was in Indian territory before joint statehood was granted the former stamping grounds of the more or less noble red man, Jeffries is reported to have acted real kittenish. For repartee, wit and brilliancy Jeffries has a reputation second only to that of Yussif Mahmoud, the trusty Turk. His quips are as spontaneous as a lingering death and his pranks are as coy as a load of lumber.

At Muskogee Jeff is reported to have sprung lightly from the train, note the use of the verb "to have sprung," indicating his perfect condition, and to have leaped into a carriage at the depot. In the same carriage, so the publicity yarn spins, there were two henpecked individuals, one a preacher. When Jeff squeezed through the door and ordered the driver to take him to his hotel, the two other passengers fled through the opposite door in alarm. Great joke that, and Jeff is quoted as having "laughed heartily" over the exit of the two Muskogees.

At the hotel Jeffries was introduced to Bud Ledbetter, a gun man with 30 years' experience as a man slayer. To quote verbatim: "One was a master of the ring, while the other was master of the ring. Jeff took a liking to Bud and talked with him for some time." Since Jeff only has to shake hands with a little salt to the newly made wounds caused by the Arizona golf contest. The Business Men won two of the games as fast as they could bowl over the bottles. The Country club recovered in time to "take the third game but the train had 'went' and the final score was 2403, Business; 2256, Country club.

**BAT NELSON REFUSES**  
**LARGE PURSE FOR FIGHT.**

Los Angeles, Cal., Jan. 18.—Another evidence of Battling Nelson's square-jawed jaw is just coming to light. Bat is being sewed up in a contract with Sid Heston for the Wolgast fight, which is to be pulled off February 22. Tom McCarey, the Los Angeles promoter, has offered Nelson a raise of \$1000 over what Heston is doing. "He has been 18 karat to date and I am for him," Bat says.

Hester had planned to hold the fight at the Mission club in San Francisco, but there are indications that he is trying to duck the fight. Nelson says he has been on the square with Hester's arrangements, has advanced him \$1000 for training expenses and that he will stand by Hester as long as he acts square.

**MOTORCYCLISTS GET BUSY.**  
The El Paso Motorcycle club held a regular meeting last evening and a committee was appointed to draw up the constitution, according to the F. A. M. rules. Those on the committee are Allen, Papot, Zimmerman, Shin, Oechner and Hebbard. This committee will meet Wednesday evening.

The club held a regular club run to Tobin last Sunday, which was a success. Next Sunday the members expect to go to the Organ mountains.

Mr. Dindinger has purchased an Excelsior machine.
